Wedding in Jammu & Kashmir

Wedding in Punjab

Wedding in Rajasthan

-
- Its gaining popularity day by day as it's one of the wedding type, follow all the customs and rituals with full fledged traditional way. Every ritual perform in a very schematic way.
 - From pre wedding to post wedding period every ceremony perform in a proper way and pre in the bride's home while the post wedding in the groom's home. Pre wedding involves most importantly the ring ceremony.
 - The day before the marriage Mehandi rasam has been performed and on the grand day of wedding bride's father treats his son in law with yogurt and honey. After that the most important is the Jamaal ceremony which purely signify meeting of two soul mates. Then from Gath bandhan to Mangal fera till departure of baraat everything has gone its own charm and significance.

Wedding however belong to any religion just simply implies "to be together till death". According to Hindu shastra the whole tradition that followed during wedding is not only a part of ritual but signify union of two souls as lifetime soul mates.

There are various procedures to be followed from the start:

- ➡ At first is the meeting of the two totally unknown families.
- ➡ After that engagement date has been fixed where both bride and groom exchange their rings and it's a assurance of life time commitment with their respective partner.
- ➡ On the prestigious day of marriage and few days before various rituals has been followed like rasam of Haldi haath, mehendi haath and most importantly the saat feres.

On the day of her wedding bride generally wear a red colored outfit as it symbolize the colors of suhaag. But now a days bride wan to look different so opt for a rather different color than red.

India has its own traditional values and ethics that attracts lots of other peoples towards our culture. We have seen in the recent days that foreigners from outside all over the world come here to start there love life by tying knot in Indian traditional way .

Hence wedding tourism has gaining popularity and peoples are taking interest as lots of ceremonies and functions and celebrations has been held during the entire period of wedding.

However its in your hand to decide the way you want your wedding to be, either it to be grand like in palace and multi star hotels or can be in shades of nature's beauty like in beaches or to follow every ritual in a proper schematic way you van have your wedding on your place too.

All you need is our supportive way of guiding you in a proper way. Whatever be the type you choose you will experience flavor of our Indian culture in a delightful way.
